How are people baptized in your church?

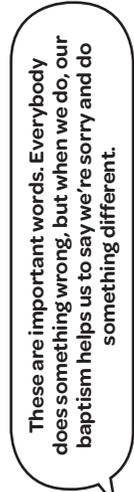

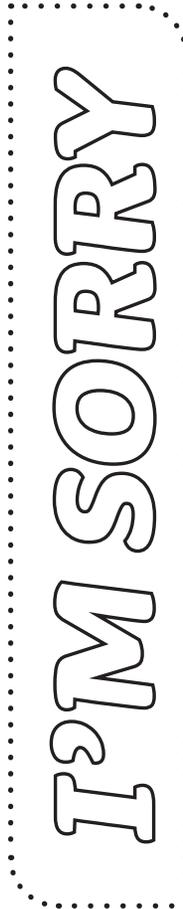

John baptized people in a river.

Both are water.

And both help us to REPENT and change!

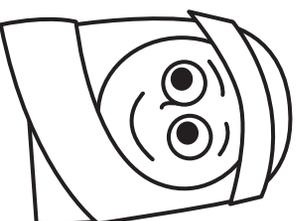

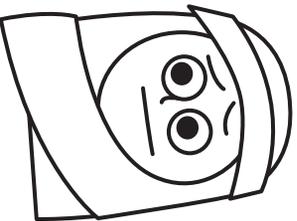

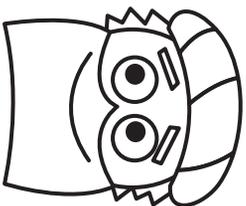

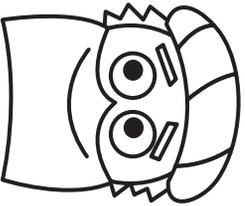

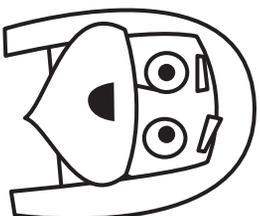

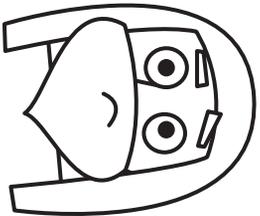

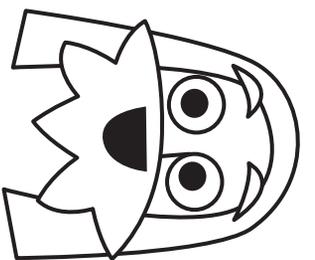

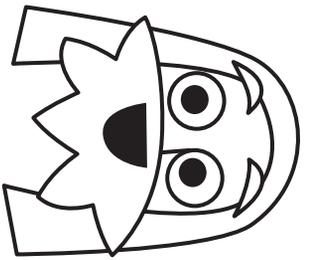

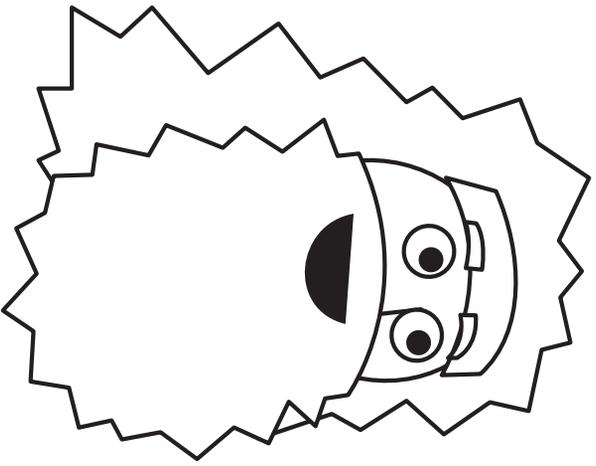

These are important words. Everybody does something wrong, but when we do, our baptism helps us to say we're sorry and do something different.

Color your "I'm Sorry" and then save it. You can use it whenever you need it!

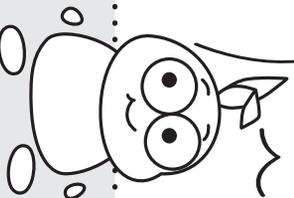

# Change your life!

John told people to be baptized and change!  
Put a triangle ▲ between the faces that have changed.  
Put a square ■ between the faces that are the same.

Color the water Advent blue or purple.

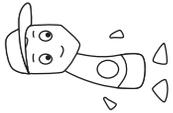

Today our church family prays for...

Change is good! I have some  
in my pocket right now!

# REPENT

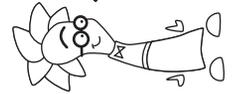

Write down some things, actions, attitudes, or habits that you'd like to change about yourself.

John the Baptist wanted people to be baptized and REPENT, or change their lives.

Part of remembering our own baptism is about changing for the better.

I'd like to meet more people!

Repent? Way to put a damper on the holiday cheer, guys.

### Why purple or blue in Advent?

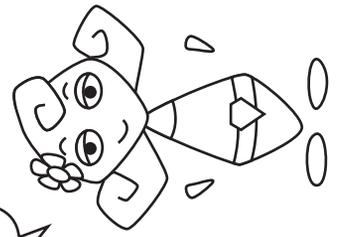

Draw any purple or blue things you see in the worship space today. Make sure to color them in!

Some churches use blue during Advent. Other churches use purple.

Purple represented royalty. Advent is about the coming of the King—Jesus.

But blue is the color of hope, like the sky just before dawn.
