Some churches give a meaning to each Advent candle.

## What gives you joy?

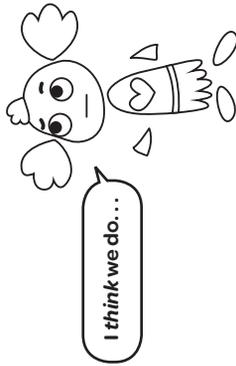

The third Sunday of Advent is sometimes called Gaudete Sunday. *Gaudete* is Latin for "rejoice."

### Does your church have a justice ministry?

A church justice ministry usually works with other churches to change unjust laws or practices in your city, town, or country!

### Write a prayer for justice.

God of justice...

**If you have a justice ministry, maybe you can show them your prayer for justice!**

Justice means changing the things that are wrong—things that people or groups of people (like businesses, companies, or governments) do that hurt other people.

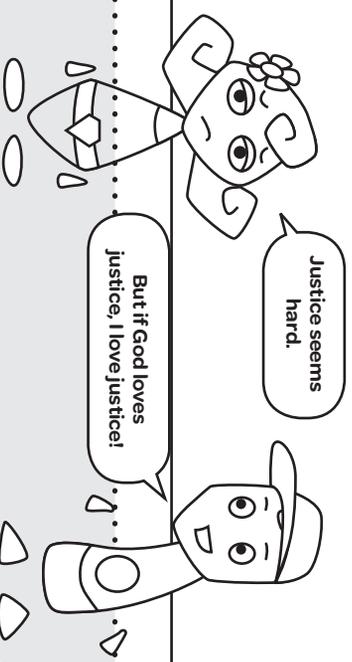

What would you change?
