

# You have one body with lots of parts.

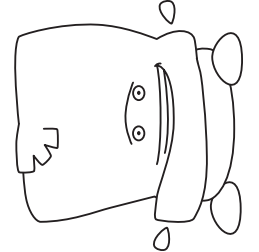

Can you draw the missing parts?

I have two eyes. And two feet. And...

Me too. But mine are a little different.

# ***You are a gift to many people!***

What gift can you give to someone?

Today our church family prays for ...

**Many worship songs celebrate how our differences are part of the whole body of Christ.**

Write new words to the tune of "Twinkle, Twinkle Little Star." Your song can tell a story of people in your church.

The image shows six musical staves, each with a treble clef and a key signature of one sharp (F#). The first staff contains the original melody of "Twinkle, Twinkle Little Star":

# #  
 G4 A4 B4 C5  
 B4 A4 G4 F#4  
 E4 D4 C4 B3  
 A3 G3 F#3 E3  
 D3 C3 B2 A2  
 G2 F#2 E2 D2  
 C2 B1 A1 G1

The remaining five staves are blank for writing new lyrics.

**We continue through a season in the church sometimes called "Ordinary Time."**

During this time, we can listen daily to the call to use our gifts and talents for Jesus. Tell how you can use the parts labeled below as gifts.

The image shows a simple line drawing of a human figure. Four callout boxes point to different parts of the body: "Brain" (head), "Mouth" (open mouth), "Hands" (right hand), and "Feet" (right foot). To the right of the figure is a cartoon character wearing a hat and a shirt, with a speech bubble that says "I can think of more. Can you?"
